

Quality Management System

QUALITY POLICY

WF Education is committed to delivering a high-quality customer services which fully meet the requirement of its customers at all times. We are proud to be the leading provision to the education sector of services relating to interior design, supply and installation of furnishings, library supplies, supply of sports and leisure and science equipment, including the supply, installation, maintenance and repair of design technology and engineering equipment.

We are committed to continuous improvement and have established a Quality Management System which provides a framework for measuring and improving performance throughout the organisation. Our systems and procedures support our aim of total customer satisfaction and recognise the importance that the quality of our service has to the future of our business. We also expect the same high standards of quality from our suppliers and sub-contractors in order to support our highly respected reputation.

We are committed to operating continuously to BS EN 9001:2015. This includes setting measurable Quality Objectives, which have been agreed by the Top Management along with a framework to ensure these are subject to formal management review.

The quality policy principles and objectives will be communicated and available to staff at all times.

We shall ensure that all our personnel understand and fully implement our Company's policies and objectives and are able to perform their duties effectively through an ongoing training and development program.
